What did YOU think of the article? Did any of the listed describe you?

Next I want to ask you questions to help me, help you. (write full complete sentences)

1. Why are you taking this course? What interests you about Graphic Design?
2. What's your favorite color? Why is it your favorite color really think about it.
3. What Design program or project would you like to try out?
4. What do you feel helps you accomplish your best work? Having a dead line, demonstrations, being in a group, working by yourself, being able to listen to music?
5. How can I improve your motivation during this course? Candy, Game days, one Critique free cards?
6. Will you be taking another Art Course after Graphic Design?
