Prerequisite to Independent Studio is the completion of the fundamental Art courses.

Independent Studio is an advanced Art course. This course is designed to let students actively explore their interests in art through self motivation. In this course students will research processes, techniques, and ideas they wish to explore further. Students are required to accurately type up what is termed as a "Art Proposal" and from this they will plan their research and adjust their projects accordantly to complete their desired work.

Projects are chosen by students with the guidance of teacher.

Grading scale:

A	100-92
B	93-83
C	82-72
D	71-63
F	62-0

Basic Expectations:

1. Effort on projects
